

Marketplace plans sold through HealthCare.gov CAN NO LONGER:

- REFUSE TO INSURE transgender people
- HAVE EXCLUSIONS that deny all transition-related care
- DENY COVERAGE solely because you are transgender
- LIMIT ACCESS to "sex-specific" services (like hysterectomies or prostate exams) based on sex assigned at birth, gender identity, or gender marker

These new protections are key, but you may still have to fight for your right to health care.
